

Emergency Management

[Be Prepared](#) [1]

Being prepared for a disaster before it happens can save you time, frustration, money and even your life or the lives of your family. Click on any of the links below for more information.

Our Mission

Emergency Management is an agency of Henderson County government. We are the branch of your local government responsible for emergency planning, preparing for, and responding to disasters that occur in our county.

We are your neighbors, your friends, and your partners helping you be better prepared when danger strikes. We have a sincere desire to help you learn more.

Contact Us

Please give us your comments at:
Henderson County Emergency Management
2529 Asheville Highway
Hendersonville, North Carolina 28791
828-697-4728
